Great sushi. Service is SLOW but, worth the wait. Can't complain about the food. I enjoy everything on the menu and loo beyond the poor service. You should go but after 8:00 pm

I don't even bother going anywhere else for sushi now because I'm always disappointed it's not as good as Bluefin!The atmosphere is casual and elegant-just what you'd expect in Boca- and with a few televisions tuned to basketball games I am in sheer heaven. Sushi is the clear star here. Everything is fresh, pleasing to the eye, even more pleasing to the palate, and very unique. The Lobster Bomb is really the bomb! I love this place and would recommend it to anyone.

Fresh sushi and excellent Thai food. What else can you ask for? We have eaten there 4 or 5 times, and we can't think of a single complaint. The service is attentive, and nothing is too much to ask for. Try the Lobster Bomb...a little pricey, but well worth it.

The food is fresh and delicious. The open kitchen creates a nice atmosphere. A little expensive, but the portions are ample. Would recommend.

In my view the best Suhi and Thai in Boca. If you want quality and delicious food, this is the place. Other places may offer a cheaper price, but, for me, do not compare in quality.
